## Profile

Passionate AI & Data Science undergraduate at IIT Jodhpur with growing expertise in data analysis, visualization, and algorithmic problem-solving. Skilled in Python and analytical tools with hands-on academic project experience. Driven to apply data-driven insights to real-world challenges.

## Technical Skills

- Python
- Data Visualization
- Git & GitHub
- PowerPoint
- NumPy
- Statistical Modeling
- Excel
- MySQL
- Data Mining
- Flowgorithm

## Projects

### The Quick Commerce Conundrum 📄

First Semester Mini Project

Investigated rapid-delivery business models, studying logistics optimization and consumer trends; collaborated on data-backed insights for improving service efficiency. 📄

**Tools/Tech:** Data Visualization, Statistical Techniques, Market Research 📄

### Interactive Flashcard Learning Website 📄

Web Project using Cursor.ai

Built a responsive flashcard-based study interface with flip-card animations to make learning interactive and memory-focused; applied prompt-based development workflows and UI/UX planning. 📄

**Tools/Tech:** HTML, CSS, JavaScript, Cursor.ai, Prompt Engineering 📄

## Interests

- Machine Learning
- Business Analytics
- AI Models
- Data Visualization Dashboards

## Education

2025 – 2029  
Jodhpur

### Indian Institute of Technology Jodhpur

Bachelor of Science — Applied Artificial Intelligence & Data Science

- Coursework includes Python programming, Data Science, Mathematics for AI, and Machine Learning.
- Engaged in hands-on projects in data analysis and real-world problem solving.

2025  
Jaipur

### Hindustan International School

Senior Secondary School

Activities & Achievements

- Secured admission to the prestigious B.Sc. in Applied AI & Data Science program at **IIT Jodhpur**, recognized for cutting-edge research and innovation.
- Actively developing programming and data science skills through hands-on projects and online challenges on platforms like **Kaggle** and **Unstop**.
- Exploring and utilizing **modern AI tools** to strengthen practical knowledge and problem-solving ability.
